

## Final Plans Made For Big Jubilee Thursday, August 7

Final plans have now been completed by the Didsbury Lions Club for the big Golden Jubilee Celebration to be held on Thursday, August 7th, and all indications point to a large crowd on the big sports day.

The day's program will get underway at 10:15 a.m. when a mammoth parade will head off the big event. In this parade prizes will be given for the best decorated float, the best decorated bicycle, best rider and mount (man or woman), best old time outfit (including buggy, wagon and horses), best boy or girl rider under 16 years, best clown, best kid and his dog, etc.

Cars will be provided for all old timers wishing to ride at the head of the parade.

Besides the hardball and softball tournaments there will be midway attractions and a merry-go-round, which should provide thrills for both young and old.

The harness races will be the best there is in Canada and horses will be entered from Saskatchewan, Alberta and the United States. This event alone will be well worth the admission price for the day.

Besides the horse races there will be a one-mile open run race, 1/2 mile open run race, 1/4 mile California cart race, relay race and 1/4 mile Shetland pony race. Large prizes will be given in all events.

During the day two airplanes from Foothills Aviation at Calgary will be an added attraction.

The Didsbury-Carstairs band will lead the parade and provide music during the day, and in the evening a big dance will be held to wind up the event.

Plan now to attend the big Golden Jubilee on August 7th. You are assured of a full day of entertainment.

Admission tickets are now on sale and can be procured from any Lions Club member. Get yours now and avoid delay at the gate on the big day, August 7th.

### LEMON WEIGHS 14 POUNDS

Mrs. Chas. Dickau returned Sunday from a month's visit with her brothers at Orange, California, and at Portland Oregon. She brought back a large lemon which weighed 14 pounds, and measured 17 inches one way and 14 inches the other. The large lemon is on display in the Halliday store window.

### FORTY YEARS AGO

August 2, 1907

Mr. H. Reiber and family arrived here Monday from Stratford, Ont. Mr. Reiber is visiting with his father-in-law, Mr. P. Liesemer, preparatory to settling in Didsbury.

Mr. J.L. Chandler who lives west of town brought in a fine sample of strawberries which are on display in Cooper Bros. store. One of the berries measured over 5 1/2 inches in circumference, and proves that the Didsbury district is capable of producing excellent berries and small fruits.

J. Baptist of the Alexandra Livestock barn has returned from the north where he disposed of a bunch of horses.

Marriages solemnized in Didsbury last week were: Cooper-Slough; Milne-Owens; Smith-Sutherland; and Findlay-Lundy.

H. Sanderman had the misfortune to lose a \$250 mare last Tuesday, death being due to the horse eating poisonous weeds, presumably larkspur.

About 1200 people attended the first Trochu Valley sports day on July 10th. The Berlin band furnished the music for the event.

## THURSDAY, AUGUST 7, TO BE A CIVIC HOLIDAY

Thursday, August 7th is Jubilee Day and will be a civic holiday in Didsbury.

This information was given to The Pioneer by Mayor H. Lynch-Staunton, who advised that the Town Council will officially declare the holiday at its regular meeting on August 4th.

Declaring of the holiday means that business places in Didsbury will not only be closed Wednesday afternoon, but all day Thursday, to give everyone an opportunity to take in the parade in the morning as well as the big sports program in the afternoon.

### GUN CLUB NOTES

With only 12 members out, the Didsbury Gun Club held its regular shoot last Tuesday night, and again Russell Ady was high man with 21 out of 25 targets shot. However, A. G. Studer wasn't satisfied with his first score and on his next 25 targets broke 21 to tie with Mr. Ady.

Following are the scores: Ady 21, Thompson 19, Rouleau 19, Studer 16, F. Ausmus 16, K. McCoy 15, W. Ranton 13, I. Klein 13, L. Weige 12, E. Watkin 11, V. Wriglesworth 9 and A. Chamberlain 7.

At the second attempt Studer broke 21, Klein 16 and Ranton 10.

## ANNUAL LONE GUIDE CAMP AT JACK ROBERTSON'S

From July 16 to 19 the 10th Alta. Lone Guide Company held its annual camp at Camp Brunswick on the farm of Jack Robertson. Twenty girls and their Captain, Mary Robertson, spent four days in swimming, boating, knot-tying and other phases of the Guide work.

A rally was held Saturday, but it was marred by rain. The Westcott Scouts and Cubs, a group of Didsbury Scouts, Joyce Morgan and her Brownies, and Mrs. Ady and Norma Kimmel, representing the Rangers, all attended. Foot races, tent pitching and striking competitions, and swimming races were run off before rain ended the afternoon activities.

At the campfire, which was to have been held in the evening, several presentations had been planned. Mr. Freeman was to have presented the Westcott Scouts with a flag from the Legion; the Scouts a "Thanks badge" to Mrs. Swanby and a parting gift to Tom Swagby; the Guides a gift to their departing Captain; First Class badge and All Round Cords to Margaret Robertson, and several proficiency badges to both Scouts and Guides.

Mr. and Mrs. C.M. Wills and son Buddie of Vancouver visited at the home of Mr. Wills' sister, Mrs. H. M. Ringheim and family of Didsbury.

Mr. and Mrs. Allan Marsh and two children, Robert and Fay, from east of Carstairs were Saturday visitors at the Ringheim home.

Miss Mae Ringheim, who is employed at T. Eaton Co. store in Calgary, was home for the week end.

### WESTERDALE NEWS

The Western League play-offs got under way last Sunday afternoon, with games being played at Waterside and Hartmann. The local boys played the Waterside team in a closely contested game until the seventh inning, when Ralph Jackson was hit on the arm with the ball while at bat, and was unable to finish pitching the game. They were defeated 7 runs to 4.

The Hillcrest team played Hartmann and were defeated by a 6-3 count. We understand that the Hillcrest pitcher also got hit with the ball and was carried off the field in the ninth inning.

Mr. and Mrs. V. Egans and daughter Muriel of Zella visited Sunday evening at the home of Mr. and Mrs. H. Jackson.

Mr. and Mrs. R. Devitt were supper guests last Thursday at the home of Mr. and Mrs. T. Bolton.

The high winds of Monday afternoon turned up-side-down an old barn on the farm of D. H. Herbert.

Bob Stiller, rather hard to take as Mrs. H. Jackson found out last Friday morning while looking through the hive after the bees had swarmed. She got 26 bites on her arms.

## MANY NEW POST OFFICES TO BE BUILT IN CANADA

Postmaster General Bertrand said in the Commons at Ottawa recently that his department hoped to build "quite a lot" of post offices across the country next year.

Replying to questioning during study of his departmental estimates he recalled that no new offices were built during the war years and said a considerable number now were needed. They would be built in centres where revenue totalled \$10,000 a year or more.

For years Didsbury has been on the list of towns in which new post office buildings were contemplated and it is hoped that we may be included in the centres getting new buildings when final estimates are made.

## MAY GET AIRPLANE HANGER AS SALVAGE MATERIAL FOR RINK

Plans are being completed by the Didsbury Lions Club and the Didsbury branch of the Canadian Legion for the covered skating rink and while some material appears to be scarce it is hoped that one of the large airplane hangers at Edmonton may be available to help out the situation. With this in view a committee comprising W. McFarquhar and W.H. Payne has been appointed, along with the assistance of Howard Hammell, M.L.A., to interview officials at Edmonton today (Wednesday) in the hopes of coming some definite arrangement for the purchase of an airplane hanger.

In the meantime some material has been ordered and committees are getting everything ready to commence actual building of the covered skating rink as soon as possible.

The Canadian Legion and the Lions Club asks the co-operation of everyone in the district in helping to build the covered skating rink. It will be a community project and the first unit of the memorial community centre, and while its principal use will be for skating and hockey, it can be used in the summer for calf club and stock shows, civic meetings and other community activities.

## PHYLLIS HUGHES HONORED AT WETCOTT SERVICE

The Westcott United Church held an open air service on Sunday, July 27th, at the Jack Robertson Camp Grounds. The attendance was good, 65 in all being present.

During the service Miss Phyllis Hughes, who is on vacation from her nursing duties at the Calgary General Hospital, was presented with a purse from all present. Rev. Whyte Smith made the presentation. Due to impassable roads and a missing Westcott bridge this presentation was not made when Miss Hughes left April 1st to enter in training.

After the service a bounteous lunch of fried chicken, salad, ice cream and pie was thoroughly enjoyed by all.

The afternoon was spent swimming, boating and resting in the shade.

### DR. H.W. EPP APPOINTED CORONER FOR DIDSBURY

The Town of Didsbury was advised last week by the Attorney General's Department at Edmonton that Dr. H.W. Epp of Didsbury had been appointed a coroner and his main territory will be the Didsbury district.

### MELVIN NEWS ITEMS

Mr. and Mrs. E. Dupont returned Monday from a week's vacation at Banff.

Cremona and Melvin played an exhibition baseball game Wednesday at the Bottrell Standpipe and Melvin had quite a time collecting players in the busy haying season.

However, it was a good game and Cremona won 10-9.

Mr. and Mrs. A.E. Krebs dropped over to see Melvin and his family from Wyoming on their way to Nebraska. They enjoyed several days at Vancouver and went to Oregon to see the state fair.

Mr. and Mrs. W. Allen holidayed with them for several days after leaving Vancouver.

They will be at the dance in the Melvin hall on Wednesday, July 30th.

### CARNIVAL QUEEN STANDING

Following is the standing of the Carnival Queens in the big Jubilee Queen Contest of the Didsbury Lions Club: Olga Dupont, Audrey Radford, Minnie Schmeidler, Jean Carleton, June Parsons, Muriel Devolin.

Contestants are reminded that the contest will remain open until 3:00 p.m. Jubilee day, but they are asked to make complete returns before 5 p.m. Wednesday, August 6th, to Mr. Art Reider. This is important.

### M.B.C. BIBLE CAMP AT GULL LAKE AUGUST 2-11

The annual Bible Camp of the M.B.C. church will be held again this year at Brighton Beach at Gull Lake and opens on Saturday, August 2nd, continuing until Monday, August 11th.

The daily camp program is varied and there will be recreation, Bible study, vesper services, etc., from 7:00 o'clock in the morning until 9:00 o'clock in the evening.

Included in the camp personnel will be Rev. and Mrs. R.E. Burk, evangelists of Michigan; the Mountain View Gospelists and the Mountain View Messengers. Rev. D.C. Ely is camp superintendent; Rev. A. Habehmehl, assistant superintendent; Miss C. Hedegard, camp nurse; and Miss Enith Hunsperger, secretary. Rev. M.L. Baker, president, will also be present.

A Canadian has just celebrated his 110th birthday in Vancouver.

Mrs. Ira Scott has returned from Camrose where she was visiting the Gasser family.

Chief operator Mary Ringheim of the Didsbury telephone office has left for the east to spend her holidays. She will visit her cousin, Mrs. Cecil Daniels at Holling Hills, Alberta, before returning home.

Be sure and get your tickets for the big Jubilee Celebration on August 7th before the day of the big event. Ticket holders will be able to drive right into the grounds by showing their tickets at the gate. Tickets may be procured from any member of the Lions Club.

## LARGE CROWD AT FISH AND GAME PICNIC AT RAVEN

While it was estimated that over 2,000 people attended the annual picnic of the Didsbury, Olds and Innisfail Fish and Game Association at the Raven Fish Hatchery on July 27th, Didsbury was not as well represented as other towns, but all seemed to enjoy a warm day in a cool spot.

The day's sport program included girls' softball games, rifle shooting, children's races, tug of war, horse shoe tournament and other events.

The Didsbury Association was in charge of the refreshment booth and while short handed the staff on hand was able to take care of the sale of soft drinks and ice cream due to the faithful services of Mrs. R. Ady and Mr. and Mrs. I. Klein, who devoted the entire afternoon to the cause.

The archery and fly casting competitions were not held.

To wind up the day a weiner roast and sing song was held in the evening and those who stayed reported an enjoyable time.

Taking everything into consideration the crowd seemed to have an enjoyable day.

### MR. AND MRS. MART ROMY CELEBRATE SILVER WEDDING

A very enjoyable afternoon was spent at the home of Mr. and Mrs. Sid Wright on Sunday, July 27th, the occasion being the 25th wedding anniversary of Mr. and Mrs. Mart Romy. The guests were Mr. and Mrs. Harry Romy, Mr. and Mrs. Geo. Byrt and family, Mr. and Mrs. Adam Koneschuh, Donald and Judy, Mr. and Mrs. Ed Berscht and Clifford. Later in the afternoon Mr. and Mrs. A.L. Moon and daughter from California, Mrs. Pearson, Bill Moon, Mr. and Mrs. Herbert Goetjen and family and Mr. and Mrs. Herman Wiker, all dropped in to congratulate the couple on their silver wedding anniversary.

## DON'T SHOOT OUR TAME DEER

It was a real spirit of co-operation when sportsmen of the Carstairs, Didsbury and Olds districts assisted in bringing a large number of deer from the Pincher Creek area in the hopes that they would add to the hunting stock in our west country, but it seems that some person or persons have little regard for these game animals and delight in taking the odd pot shot at them should they come within range of a gun.

A recent example of this was the doe deer found in a dying condition in the McCoy coulee last Tuesday with a .22 bullet wound in the lungs. From meagre details available it appears that the would-be sportsman was either a person with meagre experience in big game hunting or some irresponsible youth who has little regard for wild life.

When it is considered that the deer brought here from the Pincher Creek area were mostly park animals and accustomed to the sight of people, having little fear of them, it can be readily understood why the animal above mentioned may have been an easy target for anyone with a small calibre rifle. For this reason the deer should be given every possible protection while roaming our farm country, and it is to be hoped that future incidents of this nature may never again occur.

These deer were brought to the district at considerable expense and it is to be hoped they will be given an opportunity to increase and further enhance the fine deer hunting which is to be had in the bush country west of the towns along the C and E line.

## TOMORROW IT MAY BE YOU!

If you were suddenly faced with a situation where you could save someone's life if you gave your blood what would you do? In reality this situation faces you this minute, for somewhere in Canada there is someone dying for lack of blood—blood which you can give painlessly and without discomfort to yourself.

It may be a little child broken and crushed as it played on the streets, it may be a young mother whose life is in jeopardy after childbirth, or a workman injured in a plant accident. It may be your neighbor who is at death's door—or a member of your own family—but it is a fellow Canadian! Tomorrow, it may be you!

The Canadian Red Cross is setting up in Alberta a new peacetime Blood Transfusion Service. Mobile Units will move out from central clinics. They will visit our community. These clinics and mobile units will be the sole sources of life-giving blood to the Alberta Hospitals—and the hospitals in turn will give this blood to whoever needs it entirely free of charge.

To carry out this great humanitarian work the Red Cross needs your help—it needs you as a voluntary blood donor. If you have not yet registered, there is still time to do so. Contact Mr. Reiber at his office, or Mr. W.A. Austin and tell them you will be glad to help save a life, and want to sign a registration form now.

Seven million feet of lumber have been salvaged from the Debort military camp.

The saddest thing we learn from history is that we do not learn from it.

## Y. P. CONVENTION HELD AT THE ALBERTA CAMP

The annual Young Peoples' Convention held at Alberta Camp recently proved to be the best yet. Most of the Alberta Evangelical United Brethren churches were represented, bringing the total registration higher than in former years. The Sunday attendance was over 300.

Many young people came to Alberta Camp for their holidays but perhaps some may not consider it as such because of the rising bell at 6:45 a.m. However, the spirit of Christian fellowship and co-operation was very prominent throughout all the camp activities. The forenoon were spent in worship periods, classes in Christian education and Bible study periods. Every afternoon the young people gathered in groups in the Tabernacle for discussion of the Youth Fellowship program under the general direction of the Rev. N.J. Wert of Pennsylvania, U.S.A. After this followed a period of recreation under the leadership of Rev. I. F. Huber. A group of young people met daily for prayer.

The evening evangelistic meetings were indeed blessed times and memories of the messages heard, decisions made and the presence of God in hearts will long linger in the hearts and minds of all present.

The camp fire period following was a grand fellowship and chorus singing at which time many new acquaintances were made.

The guest speaker, Rev. D. L. Vermillion of Portland, Ore., was outstanding. His messages were heart searching and very interesting. He had been an army chaplain for four and a half years in the last war. His wife and family were also present.

After a short week of blessing and fellowship all returned to their local churches with higher goals and purposes in mind, better equipped to meet the problems of daily life, and looking forward to next year when the whistling vines will be calling us to return again.

## WEDDINGS

ROSS-NELSON

A wedding of interest to friends and relatives in the district took place on July 23rd at the home of Mr. and Mrs. R.J. Nelson of Hartman when their eldest daughter, Dorothy Frances Louise, was united in marriage to Robert Hugh, only son of Mr. and Mrs. Alex Ross, also of Hartman.

Rev. Moss of the Olds United Church performed the ceremony. The bride, who was given in marriage by her father, wore a suit of turquoise blue crepe with small matching hat and a corsage of roses. The maid of honor was Miss Maida Conrad and the bridesmaid was Miss Muriel Nelson, sister of the bride. Both were becomingly dressed in costumes complementary to the bride's attire.

The bride's brother, Mr. Aylward Nelson, attended the groom. After the ceremony a buffet luncheon was served and later the young couple left for Calgary, Banff and points west. Upon their return they will make their home at Hartman.

Guests present were: Mr. and Mrs. Alex Ross and Miss Anne Ross; Mrs. R. Bettie and Mrs. W. Milne, both of Winnipeg; Mr. Hugh Ross of Rosedale, B.C.; Miss Maida Conrad of Seattle, Wash.; Mr. Albert Roper of Calgary; Mr. and Mrs. Neil Peterson, Margaret, Anne and Bobby; Mr. and Mrs. Wilfred Spooner; Mr. and Mrs. Cliff Herbig and Mr. and Mrs. Omer Dube.

## Former Didsbury Farmer To Wed At Cloverdale B.C.

Vancouver Airport recorded one of the unusual reunions in its history on July 11th when a fiancée and a fiancé met for the first time in half a century.

The couple were D.G. Hardbottle, Cloverdale poultry farmer, and former resident of the Didsbury district, and Mrs. Kate Davies, who arrived aboard United States Airliner after flying from Cambridge, England.

Even a six-and-a-half hour wait failed to shake the calm of Mr. Hardbottle. He told Mrs. Davies, sister, Mrs. Charles Dello, also of Cloverdale, even the few minutes it took her sister to pass through immigration and customs was torture. "I haven't seen her in 35 years," he exclaimed. "And even now I have to wait, with her in the next room."

"I haven't seen her in, let me see—48 years; no it's more like 50," remarked Mr. Hardbottle. "We knew each other as children in England, but I haven't seen her since she was a youngster."

But when the trim, 57-year-old Englishwoman finished with officials, Mr. Hardbottle's smiles showed he considered the years had flown lightly with his bride-to-be. Wedding plans are still to be made—"after all, she has something to say about them, but we're to be married, that's settled."

Mr. Hardbottle explained events which led to their marriage plans. "I knew her as a child, but we became separated. We both married and raised families. Then her husband and my wife died. Well, I got in touch with her again through her sister. She wanted to come to Canada and we're going to be married."

The long wait at the airport by Mr. and Mrs. Dello and Mr. Hardbottle was caused through delay which arose in New York concerning Mrs. Davies' flight to Vancouver. These in Vancouver had expected her on an earlier plane.

## 19,500 ALBERTA PERSONS NOW DRAWING PENSIONS

Payments to old age and blind pensioners in Alberta are being increased to \$25, provincial health minister W. W. Cross announced. Together with extra costs, this will mean an additional outlay by the province of \$1,000,000 a year, he said. The increased allowances will be effective from May 1.

Formerly pensioners received \$20 a month from the provincial and federal governments. The higher pensions will go to 14,385 old age and blind pensioners on present lists and an additional 5,115 who become eligible through changes in the old age pensions act made at the present session of the House of Commons. This means a total of 19,500 Alberta people will be drawing old age or blind pensions.

"The government of Alberta has decided to continue to pay out of provincial funds a \$5 supplementary allowance each month to all old age and blind pensioners of Alberta, over and above the \$20 payment to be provided jointly by the federal and provincial governments under the latest amendment to the old age pensions act," said Dr. Cross.

"This will make the maximum cash pension in Alberta \$35 per month and this plus the medical and hospital services being provided to these citizens and their dependents as from June 1, 1947, will amount to a total assistance to each pensioner of approximately \$37.50 per month."

It is estimated that both governments will spend \$8,943,000 on old age and blind pensioners in Alberta during the present fiscal year which ends March 31, 1948. The province's share of this total will be approximately \$3,300,000. This includes approximately \$650,000 for medical and hospital services provided by the province, compared with \$500,000 estimated when the plan was authorized at the last session of the legislature.

Dr. Cross said municipalities pay 10 percent on the basis of the former old age pension of \$20 per month. When the Dominion raised its basic pension to \$25 per month, no additional levy was made on the municipalities and there has been no change in the rate of charge on the municipalities with the federal pension going to \$30 per month. The municipalities have not been charged any part of the cost of the provincial supplementary pension of \$5 per month, said the minister.

## SPRAYING BY AIRPLANE

An interesting example of large-scale spraying of insecticide by air-plane is being undertaken in the Idaho panhandle over an area of 387,000 acres of forest land to prevent the destruction of timber by tussock moths. Originally planned to take 40 days it is expected the job can now be done in a much shorter time. The area under treatment represents somewhat more than a quarter of the land surface of Prince Edward Island.

## SIMPLIFIED INCOME TAX LAW

Finance Minister Douglas Abbott has introduced a bill in the House of Commons simplifying the wording of income tax legislation. The measure is purely nonpolitical, the Minister stated, its only purpose being to simplify wording on such matters as rules for computing income tax; taxable incomes, categories of persons required to make payments, etc. The purpose is to eliminate as much legalistic and technical language as possible for the benefit of the average taxpayer.

FOR

CHEVROLET

WHEN people are pleased it's natural for them to say "thank-you". But never, apparently, have any car owners been so pleased as those lucky enough to own a 1947 Chevrolet. Their enthusiastic "thank-you" letters stream in from every nook and cranny of the Dominion—from fleet operators and businessmen, from purchasers in every trade and occupation. And each letter says in a different way—"I know now from experience that

Chevrolet's proud boast is true—only Chevrolet offers Big Car Quality at Low Cost!"

• The growing demand for the New Chevrolet is setting an all-time record. We cannot hope for many months to fill all the orders pouring in. ## WHO DOES YOUR PRINTING?

All business houses need more or less printed matter, all of which is within the possibilities of the local printer. Yet how prone many are to pass up the home printer and let the orders go to city offices which have no interest whatever in rural communities except to get printing orders and the cash to pay for them.

Business men, remember that the home paper is constantly promoting the interests of the home community and you owe it to yourself and your local paper to back up these efforts by at least having your printed matter done locally.

## EFFECTS OF 2, 4-D ON CEREAL GRAINS

(Experimental Farms News)

Considerable publicity is being given to and interest shown in 2, 4-D as a weed killer, which many persons mistakenly regard as the perfect weed killer. In spite of all the wonderful things that might be said about 2, 4-D, it cannot be called the perfect weed killer. For certain uses, such as killing dandelions in lawns, if proper precautions are taken, it is incomparable. For weed control in growing crops of cereal grains, care should be used in its application.

The Dominion Experimental Station at Scott, Sask., has now two years of experimental evidence on its use in growing crops of cereal grains. In these experiments, various formulations were used at different strengths. In all cases it was found that the lowest concentrations of all formulations resulted in almost a complete kill of annual weeds in the growing cereal crops.

The spraying took place early, just before the grain had headed. With the amounts used the only formulations which appeared to affect wheat were the various esters. The main effect consisted of twisted and abnormal appearing heads and maturity being slightly retarded. However, seed from these abnormal appearing heads, when sown, germinated normally and failed to produce any off-types. All formulations appeared to cause delayed maturity in barleys but no

other harmful effects were noticed. Oats appeared to be more severely retarded in maturity and in some cases stunting took place. The effect on flax in all cases was injurious.

### GRASSHOPPERS FOR BAIT

Our genial President Henry, was out fishing and happened to be having poor luck, when another fisherman advised him to catch a grasshopper or two, and try them as that was what he was using.

Henry sails forth and catches himself a real bunch of hoppers. He did not know just how he was going to keep them, not having a bait can, when he happened to think that he had a bottle of his favorite Moose Milk along, and since doctors and others preserve things in alcohol, he thought it would be okay to put the hoppers in the Milk and away to the creek again to resume fishing operations. The first hopper caught him a nice fish, and after he had used the few he had kept in his hat, he took a real juicy one out of the bottle, attached it to the hook and cast in. Suddenly there was a strike, a big one — what a fight was on! Henry never had a fish fight like it — UP, DOWN, A RUN — Glory what a scrap before he put that fish in the net! A beauty too. But when Henry came to take the fish off the hook, he discovered that he did not have it hooked at all. No, that grasshopper simply had the trout by the throat! — The Mountaineer, Rocky Mountain House.

## EXPECT NASCOPIE TOTAL LOSS IN HUDSON STRAIT

The NascoPie, 2,500-ton Arctic supply ship, is hard aground amid the great ice fields of lonely, misty Hudson Strait but her fifty passengers and crew have escaped to safety on the shores of Baffin Island, the vast northern wasteland which juts into the Arctic circle. The sturdy Hudson's Bay Company motor vessel is reported a total loss and will be abandoned to the treacherous currents of the strait, but those aboard are "safe and well," despite the loss of their belongings, at a trading post at Cape Dorset, on the southern coast of Baffin Island.

These few meager details reached Ottawa recently in terse messages received at the transport and resources department from a trading post on Nottingham Island, in the mouth of the strait and approximately 100 miles from where the NascoPie ran aground. Responding swiftly to an appeal for aid, the government ordered the icebreaker N.B. McLean, 1,200 miles away near the Belle Island Straits between Newfoundland and Labrador, to steam into the northern waters to pick up the survivors of the NascoPie and to take them to the Manitoba port of Churchill, on Hudson Bay.

Disaster overtook the NascoPie on what was expected to be the last of 33 annual 11,000-mile jaunts into the far reaches of the north, carrying provisions for northern posts and missions and other government officials and others visiting the barren lands. A replacement for the vessel has already been designed and is to be built by the department of transport at an east coast Canadian yard.

### SAFETY IN SOAP

Soap is effective against most disease germs. So, says the health department at Ottawa, even though others have handled it, there is no reason to shun the soap in a public washroom. However, the health authorities advise against using common towels, in washrooms or elsewhere, since they can transmit disease.

The pension paid annually to the family of Lord Nelson, of Trafalgar fame, has been abolished.

## EARLY TO BED EARLY TO RISE

The old saw, "early to bed early to rise, makes people healthy, wealthy and wise," appears to have been founded on scientific fact. There must be a great virtue in morning light. Early risers and early sleepers achieve more, learn more, and enjoy better health than the average of their fellows.

City slickers, who can sleep soundly through the morning roar of traffic are awakened at dawn on the farm by the singing of the birds and the sunshine in the window. Hearing the cheerful breakfast noises from the kitchen, they rise to enjoy the morning magic.

The shining haze, the gleaming dew, the washed and brightened colors of the trees shrubs and flowers captivate and entrance them. The overwhelming beauty, the assurance of well-being, and the thrill of harmony, inspire an appreciation of morning they have not known.

The new discovery of the morning prompts good resolutions to rise at dawn each day; but the good intentions fade in the glare of the day's labor of the evening. The next morning they come sheepishly down to breakfast at ten, five hours after the wise began the enjoyment of the day. — The Scene.

## HOG MARKETING CONTINUE TO RISE

Hog marketings continue to rise. In the month of June this year, hog marketings through inspected packing plants totalled 336,034, an increase of 15.4 per cent over June, 1946. Marketings for May were 8.2 per cent higher than in May 1946. This increase is entirely due to heavier marketings in Eastern Canada, said L. W. Pearshall, Meat Board manager. Ontario marketings totaling what is believed to be an all-time high for June of 176,478 represented 52.5 per cent of total marketings for the Dominion. These Ontario June marketings were 39.6 per cent higher than in June, 1946, and 15.6 per cent higher than June of the record year, 1944.

Marketings in the province of Quebec rose 66.7 per cent above those of June, 1946. Increase in the Maritime Provinces was 32.8 per cent. Although the Prairie Provinces marketed 13.2 per cent fewer hogs than in June, 1946, this is a lesser decline than in May when marketings in these provinces were 20.5 per cent below those of May, 1946.

## JULY WEDDINGS

### RUSSELL-TEYNOR

Fallen Timber school was the scene of a beautiful wedding on Saturday, July 19th, at 3 o'clock, when Elizabeth Corinne Teynor, second daughter of Mr. and Mrs. John Teynor and Mr. Harold Cecil Russell, eldest son of Mr. David Russell of Elkton, were united in marriage. The Rev. Cecil Moore of Calgary performed the ceremony.

The bride entered the school on the arm of her brother, Mr. John Teynor Jr. She was attired in a floor-length gown of sheer, the bodice of which was embroidered in an all over pattern of small bow knots. She wore a long veil held in place with a coronet of orange blossoms and carried a sheaf of pink and white gladioli. She was attended by Miss Violet Russell, sister of the groom, who wore a powder blue sheer gown and carried a bouquet of pink carnations. June and Anita Monecy, nieces of the bride, were train bearers and were attired in pink and blue ruffled dresses of suede taffeta.

Mr. George Teynor supported the groom. During the signing of the register Mrs. Teynor sang "I Love You Truly."

About seventy-five guests were present and at the reception, held in the school house, a delicious lunch was served. Mrs. John Teynor, Mrs. W. Monecy and Mrs. Ed Anderson of Didsbury were in charge of the lunch and were assisted in serving by Mrs. W. Dick, Mrs. Charlie Byrt and Mrs. J. McGaffin. The bride's table was centered with a beautiful three-tiered wedding cake.

The gifts were displayed by Mrs. Wayne Roberts.

Mr. and Mrs. Russell left later by automobile on a wedding trip to Banff and Lake Louise. The bride chose a blue and wine slack suit for travelling. On their return they will make their home at their farm near Elkton.

### CUFFLING-WEBBER

The following was sent in by Mrs. C. G. Carlson of Calgary: The bride's brother came from Toronto to give Jean Webber in Marriage to Mr. William Edmund Cuffling, former resident of Didsbury district. Rev. U. Laite officiated at the wedding in Henderson Union Church.

### MOORE-MOORE

A quiet wedding was solemnized at the home of Rev. and Mrs. Cecil Moore of Calgary on July 20th, when Dorothy Isabel, only daughter of Mr. Harvey Moore of Sundre, and Mr. Robert Moore, son of Mr. Alex Moore of Bergen, were united in marriage by Rev. C. Moore. Only immediate relatives were present at the double ring ceremony.

The bride was gowned in a floor-length white sheer with long veil and carried a bouquet of pink sweetheart roses. Her only ornament was a string of pearls, the gift of her uncle, Mr. Alex Moore. She was attended by Mrs. Robert W. Moore, who wore a floor-length pink sheer gown and chapel veil and carried mauve sweet peas.

Mr. Robert W. Moore attended the groom, and Mr. J. Howton gave the bride away.

The wedding march was played by Mrs. J. Howton, and during the signing of the register Mrs. Howton and Mr. Robert W. Moore sang "I Love You Truly."

The bridal supper was served at the Club Cafe. The table was decorated with a three-tiered wedding cake and roses and sweet peas.

Later the happy couple left by motor for Banff and points west. For travelling the bride wore an American Beauty dressmaker suit with cocoa brown accessories and a brown top coat. She had a shoulder corsage of yellow roses.

On their return they will live on their farm west of Bergen.

white crepe and a tiny hat of white mohair trimmed with orange blossoms were worn by the bride, who carried a cascade bouquet of cream roses and gardenias. Her only ornament was a diamond and ruby costume brooch, the gift of the groom.

Mrs. Frank Attridge, matron of honor, wore a suit of powder blue accented by a hat trimmed with rose ostrich feathers. Mr. S. Turnbull was best man and Dr. F. B. Attridge proposed the toast to the bride at the reception in Rio Vista Lodge.

For their wedding trip Mr. and Mrs. Cuffling will take a cruise to Alaska.

A Purdue University professor says whiskey, if processed from oil products, would pack no hangovers.

## Divide Your Dollars With Your Neighbor

Everybody has a certain amount of civic pride — that sort of pride which helps make a village a town, and a town a metropolitan city.

The growth of any community is dependent upon the support given its citizens. If you fail in your co-operation, your town either stands still or goes back.

If you uphold your town by sustaining it wholeheartedly, you help yourself and the community. Buy at home! Be neighborly with your dollar. Divide your dollars among your merchants and others who have the interests of Didsbury at heart. Help them and they will help you to greater values — for increased volume means decreased costs.

DIDSBURY needs your support and you need the support of the town. Let's get together and share our dollars for a mutual prosperity.

### BURNSIDE NOTES

Mrs. Otto Bittner and family, and her brother, Pat Sprags and three daughters, were in Calgary Thursday and spent an enjoyable afternoon at St. George's Island.

Among those seen in Olds last Tuesday attending visitors' day at Women's Week, were Mrs. Schultz, Mrs. Atkinson and Mrs. Worrall.

Mrs. Walter McCulloch, Mrs. Alie Thompson and Mrs. Mardon, delegates to the Farm Women's Week at Olds last week, returned home Friday. They were sent to Olds under the auspices of the Lone Pine W.L. and the ladies report a lovely time.

Wiring of the Lone Pine hall for electric lights was completed last week. The work was in charge of Chris Flanagan, ably assisted by members of the hall board and neighbors, and visitors to future entertainments in the hall can expect good lights. The electricity is being supplied by the new power plant purchased by the hall board.

Mrs. Mardon went to Calgary on Monday to meet Dr. and Mrs. B.W. Linscott and Mrs. Linscott's two sisters of Brantford, Ontario, who are on a trip to the Pacific coast.

They will stop off for a few hours in Calgary to see Dr. Linscott's cousin, Mr. Charles Mardon, who is convalescing in No. 2 Wireless convalescent hospital.

Don't forget the dance at Lone Pine Hall on Friday, August 1st, to celebrate the installation of the new electric lighting system.

Marie Persinger of Calgary visited last week with her sisters, Mrs. Ivor Weber and Mrs. Howard Charlton. Wedding bells will soon be ringing for Marie—lack of accommodation in Calgary being the hold up of wedding plans.

Capt. Page and Mr. Neilson of Sunnyslope spent last week in the Standard district.

Mr. and Mrs. Persinger and Mr. and Mrs. Warren Persinger spent Thursday with the former's daughter, Mrs. Ivor Weber and family. On Friday they visited with Mrs. H. Charlton and family.

Dick Jenkins is spending the week end at Banff.

Mr. and Mrs. Jack Underhay motored to Drumheller Saturday and brought back Jack's mother, who flew to Calgary by T.C.A. from King's Bridge, Devon, England.

Mr. and Mrs. Allen Hughes spent the week end at Sylvan Lake.

Misses Florence and Sherry Cullen and Jeanette Worrall left Sunday for a holiday at Banff.

Mr. and Mrs. M.S. Page spent the week end at Springbank, Alta.

Mr. and Mrs. Bob McCulloch visited Sunday evening with Mr. and Mrs. Brander and family.

Mr. and Mrs. Joe Hunter and family were supper guests Sunday with Mr. and Mrs. Sam Elliott.

### FALLEN TIMBER NOTES

Hay making is the order of the day in this district.

The people of Fallen Timber have almost given up hope of having any roads in this district until there is a change in the Government of Alberta.

Mr. C. Frazer of Oyen, Alberta, and Mr. and Mrs. Clinton McMullen and little daughter Dixie, of Cappon, Alberta, who have been visiting Mr. and Mrs. R.E. McMullen of Elkton, and relatives at Sylvan Lake and Red Deer, have returned to their home.

Mrs. Wilfred Blain and little daughter Sharon have been holidaying at Sylvan Lake and Red Deer.

Mrs. Frances E. Little of Lethbridge, who has been enjoying part of her vacation at Waterton Lakes, has arrived in Didsbury for an extended visit with her sister, Mrs. R.E. McMullen of Elkton.

The Burma Road is in very poor condition owing to the fact that it has not been maintained for over a year.

Haying is in full swing with the farmers of the district reporting a good crop.

Mr. and Mrs. H. Taylor of Didsbury visited Mr. and Mrs. Dick over the week end.

Mr. and Mrs. E. Shantz were visitors at the Hay's home on Sunday. Mrs. P. Fair left for a visit to her sister, who lives at Nanaimo, B.C. Mrs. Hone was a Didsbury visitor on Thursday.

We have arrived at the point of diminishing returns for efforts expended in the tuberculosis program sure of continued reduction in the death rate.—The American Medical Journal.

### WESTCOTT NOTES

Mr. and Mrs. Chester Bennett and sons, Wayne and Loren, of Los Angeles, stopped here to visit at the Herbert Goetjen home enroute back to the U.S.A. after holidaying at various points of interest in Alberta.

Mrs. Adolph Baudistel and little Bill of Banff visited with her parents, Mr. and Mrs. John Luft, last week. Mr. and Mrs. Luft accompanied their daughter back to Banff, taking a few days holiday themselves.

Congratulations to Mr. and Mrs. Henry Wilschusen on the birth of a son.

We are glad to hear that little Garry Weidner is better after his seizure of measles.

Mr. and Mrs. Herbert Goetjen and family visited with the latter's brother, Mr. and Mrs. Wilbert Panke of Big Prairie, on Sunday afternoon last.

Mr. and Mrs. Allen Konshuh were Calgary visitors on Sunday. We are pleased to hear Allen's father, former resident of Westcott, is much improved in health.

Deloyce Goetjen spent the week end as a guest of Miss Joyce Buhr in Didsbury.

Several severe electrical storms hit this district last week and both Gordon Ford's and John Luft's telephone were struck by lightning. Another night Mr. Alex Robertson had a cow killed by lightning. Crops look good as yet, however rain is needed for the late-sown grain. Haying is in full swing and it looks as if there'll be lots of feed, judging by the many stacks around the country.

### FEEG-BROWER

A beautiful archway decorated with pink and white streamers formed a background for a double-ring ceremony solemnized by Rev. Wm. Barber of Hartmann, on the lawn at the residence of Bennett B. Brower, Friday afternoon, July 25, at three o'clock, when Zella Estelle, daughter of Mr. and Mrs. E. S. Brower of Hartmann, became the bride of Harold LeRoy Feeg, only son of Mr. and Mrs. Gilbert Feeg of Didsbury.

The bride, who was given in marriage by her brother, Bennett, wore a floor-length frock of white broadened satin with a full length veil, which was held up by a braid wreath of orange blossoms. She carried a bouquet of red roses and wore a necklace of pearls, the gift of the groom.

The bridesmaid, Miss Jean Cogswell, wore a floor-length dress of pink sheer with pick veil, and carried a bouquet of yellow roses.

Douglas Wordie, of U. of A., Edmonton, attended the groom.

Miss Verna Jean Feeg, sister of the groom, played the wedding music and during the signing of the register Jim Hooper sang "Dearest of All," and after the reception, which was held on the lawn, he sang "At Dawning."

Out of town guests were Mr. and Mrs. M. Abraham, Innisfail; Mr. and Mrs. Barry Brower, Wainwright; Mr. and Mrs. J. Spencer, Calgary; Mr. and Mrs. Wallace Brower, Sundre, and Mr. and Mrs. Hugh Ross, Rosedale, B.C.

Mr. and Mrs. Feeg left later for a wedding trip to Waterton Lakes and through the mountains, the bride travelling in an aqua blue wool suit with pink and white accessories and corsage of white roses.

On their return they will make their home in Didsbury.

## LOCAL NEWS

Patricia McDonald has received word that she has passed her Toronto Conservatory Grade I music exam with honors.

Mr. and Mrs. A. Moffitt of Portland, Oregon, who have been spending the past ten days with the latter's sister, Mrs. Joe McDonald, left for Edmonton and Jasper where they will spend a few days before returning to their home in the U.S.

Mr. and Mrs. W. Skerry and Susan and Mr. and Mrs. E. Carleton and Michael left Saturday to spend a few days holiday at Banff.

Bill Armour suffered injury again to his eye while working on the Payne-Freeman building and was a patient in the Didsbury hospital.

Miss Velma Janzen, who is on holiday from Ranton's store, and her brother, Stan, left Monday for Calgary where they took the T.C.A. plane to Edmonton and return, and we understand they had an enjoyable adventure.

Mr. and Mrs. Leonard Berscht and Judy and Mrs. Harvey Stevens returned Saturday from a six weeks business trip to Eastern Canada via the United States. Len reports a very successful trip.

Dr. Epp is having a sun porch built on the front of his office and residence, just west of the Rosebud Hotel.

Thunder showers have been prevalent again this past week and the crops seem to be holding up well despite the warm weather.

Mr. Alfred Durrer left Friday for his home in Waterloo, Ontario, after spending the past three weeks visiting with Mr. and Mrs. Walter Pratt.

Mr. and Mrs. Frank Durrer and Darlene, and Mrs. E. K. Pratt of Calgary visited last week with Mr. and Mrs. Walter Pratt.

Miss Margaret Sinclair left Sunday for Brooks after spending two weeks holidaying with her father D.M. Sinclair.

Miss Gwen Dainty returned home Sunday after a week's holiday at Medicine Hat.

The Ford families of the district held a re-union in the form of a picnic at the Fallen Timber on Sunday. There were five brothers, Bill, of Hanover, Ontario, Ross of Edison, Milt of Carstairs, and Gordon and Ed of Didsbury, and their families, who all report an enjoyable get-together.

Word from Mr. and Mrs. Garnet Tighe and Bud, who are holidaying in Eastern Canada, is to the effect that they are leaving for home on July 26th and expect to be back this week end. They have had a grand trip, going as far east as Quebec City. Garnet says fall wheat is nearly ripe and that hay is spoiling due to wet weather which has held up harvesting in Quebec, but which is ideal for travelling—not too hot.

Walter McInnes is back on the job in his barber shop after a little holiday. During his absence Frank Carleton was in charge of the barber shop.

Services will be held at St. Cyprian's Church, Didsbury, on Sunday, August 3rd, at 3 p.m.
